

# GRANDPARENTS DAY at the Rock Academy

*We would like to invite all Rock Academy grandparents to attend a special day here at school with their grandchildren. Because grandparents have the power to be such important role models in their grandchildren's lives, we encourage you to visit with them here on campus.*

*Please join us:*

*Friday, February 17, 2012*

*8:15 A.M. – 12:00 P.M.*

*Grandparents are invited to attend chapel, visit the classrooms, tour the campus, and have lunch with their grandchild.*

*We are looking forward to this special day and hope that many grandparents will be able to join us! No R.S.V.P. required. Contact the Rock Academy at 619-764-5200 with any questions!*
